A representative of the Executive Offices presented Mr. Foster with the President's Award which is the highest honor awarded by Strout Realty to an elite few among the more than 650 Strout Offices in 43 States.

The annual Award is presented to those Strout Branch Managers who have exhibited extraordinary skill in sales, listing, and customer service throughout the previous year. AARP to hold meeting

Elderly people who would like to ask questions and make suggestions on the interests and needs of adult citizens should attend a special meeting of American Association of Retired Persons at the Pamplin Charge United Methodist Church on Feb. 14 at 7:30 p.m. in the fellowship hall.

Officials of the Central Virginia Commission on Aging will be on hand to receive and discuss public input into those areas of concern for the elderly residents of Appomattox County.

Thursday's meeting will be a first step toward preparing a three year area plan.

Any subjects related to aging may be discussed and possible topics of conversation may be: transportation, day care, winterization, education, home health care, housing, nutrition, recreation, and employment.

All individuals and organizations concerned with the role of older adults in the community should plan to attend Thursday's meeting.

There is no charge or obligation in any way and refreshments will be served after the discussion.

Spout Spring homemakers to meet

Spout Spring Extension Homemakers Club will meet Thursday, Feb. 7, at 6:30 p.m. at the home of Mrs. Mary Moon.

A demonstration on micro wave cooking will be given and supper will be served featuring foods cooked in the micro wave.

All members are urged to attend.

Partnership protection

Business partnerships exist only as long as both partners survive. This is why Nationwide introduced partnership protection, a joint life insurance plan designed to cover a two-partner business.

If a partner dies, Nationwide can provide cash to the surviving partner to purchase the deceased partner's share.
